About Me

I'm a photography graduate with a keen eye for detail and a unique ability to capture diverse perspectives. I thrive on translating briefs into creative, compelling visuals and love working with businesses that break the mould. With years of experience documenting people and communities, I've developed strong communication skills and a hands-on approach, allowing me to connect with subjects and tell meaningful stories.

My Experience

Freelance photography

2019 - PRESENT ROLE: PHOTOGRAPY & SALES

I have an extensive portfolio on my website, showcasing my freelance photography work. I've assisted with brands like Adidas, collaborated with bands, and worked with local businesses on corporate shoots. My experience spans diverse paid projects, demonstrating my versatility and commitment to high-quality results.
